Summary

Our Development Team is guided by our purpose: to reimagine medicine to improve and extend people's lives.

To do this, we are optimizing and strengthening our processes and ways of working. We are investing in new technologies and building specific therapeutic area and platform depth and capabilities – all to bring our medicines to patients even faster.

We are seeking key talent, like you, to join us and help give people with disease and their families a brighter future to look forward to.

Apply today and welcome to where we thrive together!

The Role:

This role offers hybrid working, requiring 3 days per week in our White City, London office.

As the Translation and Artwork Manager you will be responsible ensuring the availability and implementation of high-quality, regulatory-compliant translations and artwork of key product information documents, in 24 languages and to EMA deadlines. This activity is to support EU approvals via the centralised procedure (CP).

You will also share your regulatory, linguistic and artwork expertise and strategic advice to colleagues in RA and other line functions, participating in related RA, company and inter-company projects.

About the Role

Major accountabilities:

- You will manage a quality focused and compliant translation process for key product information texts, approx. 70+ products for EU CP approval!
- You will advise colleagues on regulatory and planning requirements, timely completion of translation requests and QC all incoming translations. Liaise with EU RA Country Organisation and GPRM/GPRL colleagues on points of procedure and any language issues that arise, addressing HA language reviewer feedback as required.
- You will submit completed translations to EMA with supportive documentation and once approved,

release final approved files to implementation in EU market.

- For personal projects, be responsible for LS linguistic review and compliance of formatting to EMA requirements.
- Be independently responsible for training new translation and translation & artwork team members in CP and LS processes, sharing best practice as an expert in all aspects of CP for product information and artwork.
- Is proactive in proposing and negotiating with the EMA on complex regulatory procedures, working with EU RA and operational leads to manage responses from the authorities to reach agreement on final versions for submission.

Your experience:

- Bachelors degree in one or more modern languages. A specific translation qualification is desirable.
- Excellent command of written and spoken English, as well as at least two other EU languages.
- Prior experience in a translation and artwork role, with good knowledge of CP, EME Guidelines, artwork and related business processes.
- Excellent working knowledge of regulatory affairs, the translation and artwork process.
