Summary

The Senior R2R Specialist is responsible for the proper execution of accounting processes and accurate reporting of financial information to all users in accordance with IFRS, Novartis Accounting Manual (NAM), local statutory and tax regulations and policies. This role ensures that systems, documentation, compliance and reporting are in place and leads continuous improvement to provide highly effective and efficient end-to-end processes to the Novartis divisions. Manages quality services to Novartis Group entities, securing company assets by applying tight controls in the financial transactions, while providing accurate financial information and timely reporting of balances.

About the Role

Major accountabilities:

- Prepare and support month/quarter/annual IFRS financial reports and analysis with particular emphasis on accuracy, compliance and timeliness of data provided
- Actively support financial reporting (Financial Consolidation and Reporting System)
- Act as a key point of contact and special matter expert for specific accounting related topics, policies, processes and SAP topics, to internal stakeholders and authorities/auditors
- Support statutory French accounting and reporting as well as external audits (CAC)
- Present financial reports to key stakeholders, including Country CFO, Financial Planning & Analysis team or Regional colleagues (whenever required)
- Ensure all processes, policies and procedures are clearly defined, fully documented, in line with Novartis Accounting Manual (NAM), Novartis Financial Controls Manual (NFCM) and regulatory requirements. Ensures implementation of internal guidelines
- Closely monitor changes in accounting standards and external requirements, timely react to these changes and initiate adequate process/system changes to ensure reporting compliance
- Promote a strong control environment and follow up on audit issues and implement correcting measures
- Act as the sustainable back-up on key reporting areas wherever assigned by direct managers to ensure financial reporting continuity
- Proactively challenge the status quo and comes up with fact-based recommendations

- Support continuous improvements and changes towards efficient and effective processes

Minimum Requirements:

- University degree in Economics/ Accounting/ Finance/ Business Administration and ideally “Diplôme d'Expertise Comptable” / preferred Big 4 audit background
- French (fluent), English (fluent)
- Several years of financial experience, with in-depth functional expertise
- Strong experience in auditing, IFRS and French statutory accounting
- Demonstrated ability to work effectively in a multi-national organization
- Previous experience in interacting with financial shared-service center
- SAP knowledge
- Experience of managing projects driving performance improvements (e.g. ERP implementation)
- Strong communication and collaboration skills
- Prepare and support month/quarter/annual IFRS financial reports and analysis with particular emphasis on accuracy, compliance and timeliness of data provided
- Actively support financial reporting (Financial Consolidation and Reporting System)
- Act as a key point of contact and special matter expert for specific accounting related topics, policies, processes and SAP topics, to internal stakeholders and authorities/auditors
- Support statutory French accounting and reporting as well as external audits (CAC)
- Present financial reports to key stakeholders, including Country CFO, Financial Planning & Analysis team or Regional colleagues (whenever required)
- Ensure all processes, policies and procedures are clearly defined, fully documented, in line with Novartis Accounting Manual (NAM), Novartis Financial Controls Manual (NFCM) and regulatory requirements. Ensures implementation of internal guidelines
- Closely monitor changes in accounting standards and external requirements, timely react to these changes and initiate adequate process/system changes to ensure reporting compliance
- Promote a strong control environment and follow up on audit issues and implement correcting measures
- Ability and interest to work closely with business colleagues in Division and interest to dive into and understand business topics
- Actively manage and closely collaborate with local Accounting and Finance teams, regional Accounting Shared Service Center, Regional/ Global Technical Accounting and divisions to ensure accurate accounting and financial reporting
- Work with direct managers on any other assigned tasks/ projects (whenever required)
- Act as the sustainable back-up on key reporting areas wherever assigned by direct managers to ensure

financial reporting continuity
